

FAB5 (Black) AB1 Series Fine-Adjust 1/2"

SKU / Spec Number: FAB5-C

DESCRIPTION

This precision mount offers $\pm 7^\circ$ adjustability and $>0.88 \mu\text{m}$ resolution per turn, securing $\text{Ø}1/2"$ mirrors with a retaining ring or epoxy. Compatible with Adjust-A-Ball® (sold separately), it ensures stable alignment during temperature changes with quick x-y adjustments via three precision screws. Black Finish.
